# CONGRATULATIONS!

We're incredibly proud to celebrate three college commitments from our graduating class:

- 🏆 Elizabeth Guice – Saint Leo University
- 🏆 River Turlington – Trinity Baptist College
- 🏆 Alayna Dial – Polk State College

Elizabeth becomes the first ever commitment from our girls' program, paving the way for future generations. River makes history on the boys' side, continuing his journey after international competition. And Alayna marks another huge step forward for our girls' program with her well-earned commitment.

These athletes represent everything we believe in—hard work, growth, and chasing what's possible.

We're cheering you on every step of the way!

We're proud of what this means for the club, but even more proud of what it means for our athletes. This is about creating real opportunities for them to grow, compete, and shine.
