OVERNIGHT SUMMER CAMP

MEET CAMILO RODRIGUEZ

We're proud to welcome Coach Camilo Rodriguez, Assistant Coach for Clemson Men's Soccer, to lead our Overnight Soccer Camp this summer. Coach Cam just helped Clemson secure the 2023 national title and brings nearly a decade of experience developing top-level players.

Before Clemson, he served as Head Coach at Southern Wesleyan University, where he earned multiple Coach of the Year honors and led his team to two national championships. His coaching background is packed with wins, but what sets him apart is his ability to connect with players and push them to reach their full potential.

This is a one-of-a-kind chance for our athletes to train with a coach who knows what it takes to play and win at the highest levels of the game.

Spots are limited—register now for our Overnight Soccer Camp and train with one of the best in the game.
