MAY 2025

## RUGBY SHOWCASE RECAP

On May 18th, we hosted our first rugby tournament and it was a great weekend full of games and fierce competition. The Jacksonville Wolverines came away with second place, and everyone played with a lot of grit and determination.

We were happy to see so many families and friends come out to support the teams, and it's clear that the interest for rugby is growing here. We're already looking forward to future tournaments and more opportunities to bring the sport to our community!
